A. GENERAL RULES

1. Horses and ponies shown in-hand or ridden must be 15 years old or over.
2. All horses and ponies must be in a sound and healthy condition. Any veteran showing signs of distress or lameness will be asked to leave the ring. The judge's decision of lameness of a horse/pony is non disputable.
3. The Society does not accept any liability for any accident, injury, loss, damage or illness to any riders, handlers, spectators, horses, ponies or to any property whatsoever or howsoever caused.
4. All membership and showing cards will be signed by the VHS Secretary and shall remain the property and copyright of the Veteran Horse Society.
5. Equine passports must always accompany the horse/pony when travelling and competing and must be produced on request.
6. All personal membership will run annually from 1st January to 31st December.
7. Showing cards run annually for the showing season and are valid until the final day of the National Veteran Championships in that season.
i.e. 2024 showing cards are valid from 1st October 2023 to 1st September 2024. (Note that for 2024 only, this is less than 12 months due to the National Championships Show date moving forward)
Replacement showing cards can be issued at a charge of £7.50, proof of qualification will be required.
8. All membership/registration fees are non-refundable.
9. Please be aware that dope testing may take place at any show affiliated to VHS. The rules and policies of the show will take precedence over VHS rules.
10. All competitors in VHS affiliated classes must have valid public liability insurance, covering the veteran that they are competing. Personal insurance cover is also strongly recommended.
11. Excessive use of whips/showing canes or misuse of any equipment will result in immediate exclusion from the show ring. Membership will be revoked with immediate effect and no refund will be made.
12. Remedial shoeing is permitted and will not be penalised, providing the horse/pony is sound.
13. A show may only amend scheduled classes and/or judge(s) with prior approval from VHS Head Office and must provide public notification of the changes by website, social media and/or notices at the event. Unapproved changes will invalidate any qualifications provided at this show.

GDPR TERMS & CONDITIONS

14. Entries to VHS affiliated classes are to be made directly with each show. By entering a VHS affiliated class, competitors consent to results including their name and their veteran's name being listed on the VHS website.
15. Online entries to the National Veteran Championships are made using a third party which is GDPR compliant, these terms and conditions are available on their website.
16. The VHS will hold your personal information within our systems for an indefinite period as a unique membership number is used for the rider/handler, not the horse. Paperwork will only be held for 2 years if membership is not renewed or additional information added.

B. WELFARE

1. Competitors are discouraged from travelling or competing any veteran that has undergone any major illness or surgery within the past 6 months. Should they wish to travel and compete, written consent from the treating veterinary surgeon must be given stating that the veteran is fit to do so.
2. The judge will ask the competitor to leave the ring should the welfare of the veteran, handler/rider or any other competitor or official be compromised.

3. In extreme weather, the judge may stop the class at any point. It advised that in extremely hot conditions, the veteran may be offered natural cover in the ring if this is available and competitors may remove their jackets, provided riders have long shirt sleeves and handlers have shirt sleeves covering shoulders as a minimum. In heat of 30 degrees or more it is expected that the judge may cancel the class for the welfare of the veterans. This however, is by decision of the judge on the day. In severe wet or cold conditions protective rugs maybe worn in the line-up. Grooms will be permitted to enter the ring to place the rugs over the horse/pony, and must be appropriately attired.
4. If any horse is deemed to have welfare issues, judges must consider suspending the class if imminent harm is feared. If the judge is of the opinion that there is a welfare issue with an exhibit, be it in relation to size/weight of either equine, rider/handler or any combination; or another welfare issue, the judge will mark their score sheet accordingly and may disqualify the competitor. There is no appeal against dismissal from the ring for welfare reasons.
5. The VHS considers equine welfare to be a priority of the utmost importance in all circumstances. Competitors must be mindful of distance travelled, frequency of shows, number of classes entered, weather conditions and ground conditions etc. when competing their veterans. Any competitor considered not to be doing so within acceptable limits will be subject to the VHS disciplinary procedure which may also result in membership and qualifications being revoked.
6. *It is encouraged that riders ensure that they (including full tack and riding attire) are not equal to more than 20% of the horse/pony's body weight, based on a fit and healthy horse/pony which is not over or underweight. A rider should not be so tall that their feet, when relaxed and without stirrups, hang below the horse/pony's elbow. If the judge is of the opinion that the rider is too tall and/or too heavy for the horse/pony, the judge will reflect this in their marks on the score sheet and it is at the judge's discretion whether they ask the rider to dismount and/or leave the class. Any decision by the judge on the matter is absolutely non-disputable on the day.*

C. SHOWING GUIDELINES.

1. All competitors aged 16 years and under will require a person with parental responsibility's signature on their membership application/renewal.
2. Lead rein riders (3-7 years of age). No child under 3 years old may compete. Lead rein riders are not to have attained their 8th birthday before the first of January in the current showing year.
3. Lead rein exhibits must be shown in a snaffle bridle. The lead rein must be attached to the noseband at all times during the class. Riders of lead rein ponies are not permitted to carry whips, with the exception of side-saddle exhibits, where SSA rules apply.
4. Lead rein handlers must be competent and must have attained their 16th birthday before the first of January in the current showing year.
5. Riders/handlers 16 years and under may compete in VHS affiliated classes but **must** be competent enough to ride/handle their veteran without assistance.
6. All competitors in ridden classes must be capable of walk, trot and canter (with the exception of lead rein combinations who are not required to canter). First ridden combinations do not have to take part in the group canter.
7. The person with parental responsibility for any child on a first ridden pony not wishing to take part in the group canter must inform the steward accordingly before the class begins.
8. Riders/handlers of stallions must have attained their 16th birthday before the first of January in the current showing year. They must be of an appropriate size and competency to handle the stallion.
9. All Stallions must display a stallion bridle badge. VHS Stallion badges can be purchased via the VHS website.
10. Mares in foal or with foals at foot are not permitted to compete.
11. Competitors (to include lead rein handlers) must be amateurs - horses/ponies must be produced and shown by a competitor who has not been involved with professionally producing for the show ring within the past 3 years. The VHS expects all competitors to respect this amateur status in the spirit intended. The VHS definition of a professional showing producer: A person who produces (including

preparation and schooling), rides or handles equines for the show ring for financial gain. A person who earns finances from a general equine career does not apply i.e. riding school, livery, instructor, groom etc.

12. Riders/handlers may not exhibit under any judge who has had financial interest in that equine, or any other equine belonging to the rider/handler. This includes producing, riding, schooling, instructing, livery, selling, buying, breeding etc.
13. Riders/handlers may not knowingly exhibit a horse/pony which has been bred by the judge.
14. Late entries will not be allowed into the ring once the initial order to trot has been given.
15. Competitors may not leave or return to the show ring without the judge's/steward's permission. Where a competitor has been granted permission to leave the ring, it is the responsibility of the competitor to ensure they return before final judging. Failure to do so will result in disqualification.
16. Any fall of horse and/or rider/handler will result in disqualification.
17. The judge may disqualify any horse/pony from the class that is not sufficiently under control or is deemed a danger to other competitors or officials.
18. Should a horse/pony mis-behave during presentation of a final awards, this may result in demotion or disqualification at the judge's discretion.
19. Mobile phones are not permitted in the show ring.
20. Judges must refrain from physical contact with any horse or rider during judging.
21. The judge's decision is final. Confrontation with a judge official or another competitor, in or outside the ring, is strictly forbidden and will result in disciplinary action and may lead to membership being permanently revoked. This also includes all social media forums and chat rooms.
22. Should a competitor be physically unable to trot the horse/pony up in hand, a runner may be allowed to enter the ring at the judge's discretion to do this on behalf of the competitor. The runner must be turned out correctly and fully compliant with VHS rules, including amateur status. A relevant medical note showing the competitor is not fit to run must be shown to the judge or steward before the start of the class where use of a runner is to be requested.
23. Any conduct bringing the VHS into disrepute is strictly forbidden. This includes confrontation with any show official, competitor or member of the public by either a competitor or associated individual. Any reports of such conduct will be investigated and will result in disciplinary action and may lead to membership being permanently revoked/refused and voiding any qualifications.

D. SHOWING GUIDELINES (HORSES and PONIES)

1. Horses/ponies that have suffered injuries in the past resulting in scarring or blemishes will not be penalised within the marking system, providing the horse/pony has completely recovered and is showing no signs of discomfort.
2. Discreet enhancement of natural features is permissible but it is recommended that use of makeup and body oils is kept to a minimum. Overuse may be penalised in the marking system. White scars, blemishes, freeze marking or branding will not be marked down.

4. Gallop/extended canter is not allowed in any VHS classes. Any intentional galloping will lead to disqualification.
5. Each competitor will be asked a brief history of the veteran by the judge, where ring time allows.
6. The VHS advise that sensory hairs located around the mouth, nose, eyes and inner ears are an important sensory organ for the horse and should not be removed for cosmetic purposes, as in line with the Showing Council.

Where this is not possible, age badges are permitted to be worn by the handler, but must be clearly visible to the judge. Keeping horses fit and active in their later years is highly beneficial for all-round health and well-being. A veteran horse's diet must reflect their energy requirements for maintaining weight and providing fuel for work, whether that be light hacking or competing regularly. Veteran Light is ideal for those that are prone to laminitis or hold their weight well. Veteran Vitality provides extra calories for those that need more energy or struggle to maintain their weight.
