Should an individual be ejected then all entry fees will be forfeited.
7. The VHS has a commitment to the protection of equines from any form of abuse, whether it is from misuse of a whip, inappropriate or ill-fitting tack/equipment, the restriction of fresh water or forage or any other abuse. A Welfare Officer will be present at the show and will investigate any concerns raised to the organisers.

Keeping horses fit and active in their later years is highly beneficial for all-round health and well-being. A veteran horse's diet must reflect their energy requirements for maintaining weight and providing fuel for work, whether that be light hacking or competing regularly. Veteran Light is ideal for those that are prone to laminitis or hold their weight well. Veteran Vitality provides extra calories for those that need more energy or struggle to maintain their weight.
